

2017-2018 7th Grade Volleyball Squad

Maroon and White Teams

Congratulations to your daughter for making the team! The coaches are excited about this group of talented 7th graders. Please talk over with your daughters if they are going to be committed to the program now that they have made it. If your daughter has reconsidered being on the team, please contact Head Coach Tanna Smith jenksvolleyball@gmail.com as soon as possible so that we may call up the next athlete on the list. An email was sent to all the players and their parents that gave a lot of information for you to know. If you didn't receive the email, it is probably because the email address we received is incorrect. Contact Head Coach Tanna Smith. ***Just a side note: if you daughter plays another sport, we will find a way to work it out. We have had to work around tennis, soccer, and basketball in the past. Several of our varsity athletes play 2 sports.*

Lastly, please remember to register for summer camp ASAP as spots are filling quickly!! The camp information can be found on our camps webpage.

The girls will be split into the Maroon and White teams later in the season.
