

# 2018-2019 7th Grade Volleyball

Thank you to the almost 70 girls who tried out for the program. Our decisions were very difficult and we highly encourage those young ladies who aren't on the lists below to seek out opportunities to play the game and get repetitions whether it be club, lessons, or recreational leagues. The next 15 athletes in line were so close to making the team we believe with more exposure to the game could potentially make the team in the future.

We opted to form three teams for the Lady Trojans. The ladies in this first set of numbers listed below will practice after school and are considered the maroon and white teams. Coach Danielle Parsons is leading the maroon and white teams for now for the 7<sup>th</sup> grade program until we place the second coach for the 7th grade program. Please begin communicating with Coach Parsons @ v287@hotmail.com.

The Gray team will practice in the mornings at JMS from 7:30-8:45 on Tuesday and Thursdays once school starts. Athletes will need to arrive at 7:15 to help set up nets. During preseason the girls will practice 3-4 days a week in the afternoons during the end of July and the beginning of August before school. As of right now the coach for the Gray team will be Tanna Smith the head coach of the Jenks Volleyball Program. Gray Team will report to and communicate with Coach Smith @ jenksvolleyball@gmail.com. Currently the schedule of matches and tournament is in the making since we just added this team over the weekend. I'm extremely excited about this group of girls and having the opportunity to work with them. Please, if your daughter is not interested in this opportunity to be a part of the program please let me know immediately as I have a few other young ladies that were hard to choose from I would like to offer to.
