

JENKS Volleyball: Summer Strength and Conditioning

Jenks Volleyball will be conducting its Summer Strength and Conditioning training at the Sand Volleyball Courts (71st & Riverside) under the expertise of Doug Decker, owner of Vertical Limit Fitness.

Doug is the only fitness professional in the city that plays, competes and has won, in both indoor and beach volleyball at the top level, with proven success in increasing strength, speed, agility and vertical jump in today's young players. Over the past 8 years of his training, he has helped a number of athletes receive collegiate scholarships in Volleyball.

He, and his team, will help each player improve at the game of volleyball through; teaching proper movement and jumping technique, increasing foot speed, and developing core strength. This is accomplished with progressive programming of training modalities and movements. The end result will be a stronger athlete who stays safer on the court, moves quicker and jumps higher than before.

COST: \$85 per student

TIME and AGE:

- 9-12th Grade – 6:30-7:30am
- 7-8th Grader – 7:30-8:30

DAYS: Tuesdays/Thursdays*

DATES: June 7 – August 2rd

***In the case of inclement weather, we will move into Vertical Limit Fitness (1660 East 71st Street, Suite O)**
